## Hole 11

Par 4

Men

Blue 413m

White 410m

Par 5

Women

Red 405m

**This is the toughest hole on the course for Men and most players will gladly take a 5. The drive must be straight and to the right of the fairway to give the best opportunities for the second. If you can play the second unobstructed, and from less than 120m, you will be doing well. The green is protected on the right by intruding limbs, a grassy swale and mound. The left hand side falls away and will kick balls dangerously close to out of bounds. Hit the green on 2 and you should be home and hosed for a par...be warned the famous clattering sound of balls hitting timber is very prevalent on this hole. Good luck.**
