

HOLE 18

Hole 18

Par 3

Men - Blue 112m

- White 104m

Women - Red 91m

The final hole, and deceptively the easiest hole on the course...and it can be. A short and reasonably sized green as a target, but the tee block is sheltered and disguises the effect of the wind. High loft shots will drift and if they go left, they can fall off the cliff and roll to the 10th fairway. Go right and out of bounds. The tall cut of the front and right hand side apron will grab both ball and club. So, do not underestimate this hole, stay in the zone and grab a birdie or a par to finish your solid round...oh and those at the 19th hole having a thirst quencher will be watching for any 'three putts'...and offering advice as you wrap up your round.
